

BUILDING TIME IS HERE! With rents still sky-high and Building Materials and Labor down, it does seem as though it is quite the opportune time to build. Whether it's a tiny inexpensive Bungalow or a big expensive Office Building. The merchants whose ads appear on this page will gladly furnish you "gratis" all kinds of information that will show you "How to Build Economically."

DON'T BUY HARDWARE

FOR YOUR HOME AT A PRICE

Insist that the machinery on your doors and windows be ornamental and of a metal that will not lose its beautiful finish

If it's the best—we have it. No goods sold at a price. Quality is our argument.
